Online Payments for Student Activities, ASB, and Fees

Central Kitsap School District will be continuing their **online payment system** this year. The system enables parents to go online and pay for student items such as yearbook, ASB Card, parking permit, fines and other fees starting August 11, 2016. It also allows parents to view the history of a student's activity in these areas at any time. There will be a transaction fee of \$1.75. (PLEASE NOTE: This system doesn't allow for payment of student breakfast and lunch items. There is a separate system for these payments which can be found on the District website)

To use this system you will need your student ID number and access via the website link indicated below:

The website is <https://touchbase.cksd.wednet.edu>. Login: Student Id # Password: student last name

Credit Cards can now be taken in the buildings at this time as long as the transaction is \$10.00 or more with no fee attached.
