

CKHS ASB
2017-18

Voter's Pamphlet

Cabinet President

Susannah Terry

Hello Cougs! My name is Susannah Terry and I am a junior here at CK, on any given day you can find me either on the golf course swinging clubs (rarely hitting the ball), in a thrift shop pining for a good deal, or in my room slurping up espresso! I have been involved in clubs, activities, and sports since the day I arrived at freshmen maze day, and since then I have found my passion for student government. This year I held office of junior class president and also joined dance committee for homecoming. Through these positions I was given the opportunity to work with others and accomplish great things! This spring *hint hint* we will be holding a school-wide dodgeball tournament after school! This is the kind of thing I want to bring more of to CK, to unite us as one (in the name of fun). I want to devote next year to others, which is why I'm running for president! It will be my goal to work with fellow students and administration to bring fresh new ideas and activities to the school. I want to improve things that YOU care about, may it be dances or assembly's, I'm on your side. Help me help you make next year at CK as fantastic as possible. I believe that together we can successfully achieve whatever it may be that we set our minds to. I truly am running to ensure that the all voices are heard, GO COUGAAAARS!

Grace Chun

Hey, Cougs! My name is Grace Chun and I am running to be your next Executive ASB President. Throughout my years here at CKHS, I have served as the Freshman, Sophomore, and Chief Justice under the Judicial Branch of our ASB, Vice President for Key Club, and a LINK Leader for the incoming freshman. Not only am I dedicated to school matters, but I am also involved within our community, such as volunteering at occasional food drives and helping with my parents' business. Although I have gained a substantial amount of diverse leadership knowledge through the many given opportunities, I believe my contribution to the school that I feel most proud of was serving as the student representative for the CKHS Administration Interview Team. As the student representative, I was able to work with talented teachers, staff, and district officials in a "team" environment to establish agreements while having different perspectives in regards to the issue of the topic, which is the mission and concept I am willing to commit to implementing next year. With the distinct and unique opinions that encompass for us students, I believe those diverse thoughts are at our advantage into making our school thrive and creating compromises. By doing so, my hope is to bring unity regardless of interests and backgrounds and generate more positivity than negativity within our school environment, whether if the positive atmosphere is through school-sponsored events, sporting games, or even pep assemblies. Vote me, Grace Chun, to be YOUR next ASB President and as always, GO COUGS!!!

Cabinet Vice President

Hailey Junt

My name is Hailey Junt and I am a Junior running for Cabinet Vice President. For the past three years I have participated in different clubs, including ASB events and fundraisers. I've been a cheerleader since freshman year and have engaged in the various volunteer activities associated with being a cheerleader. I have volunteered at food banks, elementary schools, junior high schools, for CK cheer, ASB, and other organizations in Silverdale. Sophomore year I was a page for the Washington Senate, I helped different politicians with their paperwork and learned about politics and what makes a great leader. I would like to apply what I learned there to help Central Kitsap become a place that people genuinely enjoy. I have many ideas for our dances, clubs, and activities that I wish to bring to the attention of our ASB. Not only would I like to share my ideas, but I would also like to listen to the opinions of the students at our High School. I would also like to make the students of Central Kitsap more involved in our schools activities. I love being a cheerleader because of how much it enables me to support my school, I would like to further this involvement by being your Vice President. I am so thankful to have had a great high school experience and I hope I can continue to help make the changes to keep our school a happy and enjoyable place for the future students of Central Kitsap High School.

Katherine Mortimore

I am Kate Mortimore and I am running for Cabinet ASB Vice President. Over the past several years I have participated in many school clubs and activities. I have been involved with Class ASB for roughly a year and a half and am currently a Class Representative for Junior Class ASB. Furthermore, I am an active member of Honor Society and Key Club, and play Lacrosse. This year I helped to found the CK Girls Lacrosse Club, of which I was elected to be Vice President and helped to draft its constitution. The accomplishment of which I am the proudest is the establishment and growth of the Lacrosse program. Lacrosse is my passion, similarly I would like to help the students of CKHS promote their passions. The students of CKHS should have a Vice President who will work hard to promote what is important to them. While we are challenged to be "Dedicated to Excellence", we must be dedicated to what makes us unique. Students should feel heard, wanted, and appreciated. If elected Cabinet Vice President, I will work to promote the growth of programs to support each student's unique identity, culture, and passion. I want CK students to feel proud of what CK is and does for them.

Cabinet Secretary

Ally Payne

Hi everyone my name is Ally Payne and I'm running for your Cabinet Secretary. From the first day I arrived at Central Kitsap High School I knew I wanted to be very involved. Fortunately, last year I was elected as your junior class vice president, and loved all the different experiences I was able to have through that position, this encouraged me to want to run again for ASB. Since deciding to become involved at this school I have tried almost every club here at CK, and am currently the vice president of FCCLA, and the president the Native American Youth Leadership Council (as well as ASB VP). I am also a member of Key Club, National Honor Society, and play for our school tennis team. I believe that since we all come to school everyday we should make the most of it, and I want to contribute to the success of our high school. Next year I will be a senior and I plan to make it the best year yet. If I am elected I guarantee that I will do my best to ensure that everyone feels important and united. Please vote for me, I already told my mom I won.

Abby Potter

Cabinet Treasurer

Molly Fischer

Hello fellow Cougars! My name is Molly Fischer and I am running as your next ASB Cabinet Treasurer. I would appreciate this opportunity to learn, lead, and support the clubs, sports and activities of CK!

Three years of participating in Key Club has given me the opportunity to serve the school and community through projects and events. This year, as the Key Club President, I helped organize the Yuda Bands project for the first time at CK. Through this fundraising-based service project, I was able to learn about ASB funds and the processes clubs go through when dealing with money. This is the reality of being the Cabinet Treasurer. I believe I am capable of helping this process run smoothly so that your activities can be successful.

In addition to Key Club, I have developed leadership skills as a Cross Country captain, a current junior class justice and in leadership roles for my church. While I believe in the importance of organization and efficiency, I also believe that leaders are responsible in making things enjoyable. If voted treasurer, I will not only fulfill my duties responsibly, but also use my influence to spread school spirit and foster fun here at CK.

I treasure you, so please treasure me. Vote me as treasurer of your ASB!

Sean Rock

Senior Class President

Treys Neptune

My fellow cougars, I, Treys Neptune, am running for our senior class president. I have been our class's ASB Member-at-Large for the past three years here at CKHS, and have attended every cabinet meeting and class meeting in the past three years with one exception. I have participated and helped out our class in the homecoming skits, our lip syncs, our food drives, our poster designs and our fundraisers in all three years that I have attended here at CK since our Freshman year. I have participated in Debate club and Youth Court, down in Port Orchard, for the past several months, so I am familiar on how to prepare and present information in a formal matter. I have obtained leadership skills from Boy Scouts and by being a safety patrol captain in previous years. I am also an editor of the HS Annual (Yearbook) and plan to be an editor for our senior year next year, so I am becoming aware of all areas that are involved in our school such as athletics and academics. I am the last of three sons who have graduated and will graduate from CK, so I am very familiar with the order and atmosphere here at CK. I am dedicated, determined and decisive when it comes to ideas and getting things done for our class and our school. And last but not least, I want to make sure that our senior year is the best that it can be and to make it unique and unforgettable.

Sean Rock

Senior Class Vice President

Ally Payne

Senior Class Secretary

Victoria southern

The elections for senior class secretary are drawing near, and it's time for the class of 2018 to decide who is going to represent them for the remainder of their time here at CK. My interest in joining ASB stems from the urge to provide an organized and informative frontier that not only answers questions for those interested in ASB details, but also allows for peer and mentor interactions to help facilitate a uniform and connected ASB community.

My past involvement with ASB started freshman year where I will always be remembered by the janitors with my glitter posters and again Sophomore year where I will always be remembered for that same reason. I hope to bring technology and community together and have a modern front of ASB. Using a combination of learned experiences as a student leader and natural leadership qualities, I would be a positive addition to your ASB and build upon the accomplishments of my class. Through organization and coordination, I believe we are only limited by our own creativity. Every student should feel like a part of the family we have here, and I want to make sure that happens in whatever way I can. I not only want to be your class secretary but your voice through pen and paper, your representative and your friend. Choosing someone who is as enthusiastic about things as I am you know that this coming year will be one of creativity and optimism. Thank you for considering me for this position as senior class secretary.

Senior Class Treasurer

Hannah Goff

Junior Class President

Ryan Nguyen

Hello, my name is Ryan Nguyen and I am seeking the position of Junior Class President. This past year, I had the honor of serving the school as Sophomore Class President, so I feel that I have the necessary experience and background to do this job well. On top of that, I have had experience volunteering at the food bank and going on missions trips, building homes for people in need in Mexico. This experience will help me in understanding what it means to give back to a community, which I would be committed in doing, serving you as class president. I feel that the largest contribution that I would be able to bring to the school environment is overall enthusiasm, positivity, and dedication. What I mean by this is that by working hard in preparing for things such as the Lip Sync and Skit, the class will have something great to be excited about, enhancing the school environment. Not only that though, I will be dedicated to fully representing the class and making your voices heard. ASB will not be a secluded group, but rather a group that is open to anybody and everybody, to share ideas to better the school environment. Lastly, I promise to give one hundred percent of my effort in serving you, and anything less than excellent next year will be unacceptable. Although last year was a great one for the Sophomore Class, the mistakes and experiences that I have gone through will aid me in making next year, a year to remember.

Junior Class Secretary

Kathryn Alexa Watson

My name is Alexa Watson and I am running for Junior Class Secretary for the 2017-2018 school year. In elementary school, I served as class representative from first to fifth grade. Throughout middle school, I held the leadership position in band as section leader, which allowed me to develop leadership skills while working with my peers. During the summer, I would volunteer at band camps where I helped guide younger students. As for high school, I have served as class representative these past two years in ninth and tenth grade, so I am familiar with how ASB functions here at CK. This year, I have also been involved as Secretary in the Band ASB Leadership group where we collaborate on ideas for fundraisers and discuss issues that impact the instrumental music program. Community service and volunteer work I have done includes dog walking at the humane society, volunteering at elementary schools, and helping with the organization Stand Up for Kids. Volunteering at elementary schools such as Emerald Heights and Silver Ridge have provided opportunities to develop leadership skills and experience working with others. I am also currently involved in an internship at the Lucky Star Consignment store in Silverdale, which gives me opportunities to improve my leadership and organization skills. The contribution to the community that I am most proud of is my involvement putting together bags of food for the organization Stand Up For Kids. This organization provides assistance to the thousands of homeless teenagers in Kitsap County.

Junior Class Vice President

Alyssa Erickson

Hey cougs, my name is Alyssa Erickson and I am running for the position of junior class vice president. I believe I am the most qualified candidate to fill the job because I held this position last year with pride. Also because I am an honest, dedicated, hard worker in the school. Along with my passion for ASB and a positive attitude, I have had a total of 6 years of ASB experience which I feel sets me apart from the other candidates. (at CKHS alone, I have earned the position my 9th and 10th grade year as class president and vice president). Along with my experience, I am a very involved, active member in school activities such as sports and many, many dedicated hours of volunteer service to benefit the school in making skits, planning events/fundraisers, and generating ideas to change the school in positive ways. In the future, if I was elected as vice president again, my goals would be to continue to generate positive ideas from students for school events, create a more welcoming environment, and help unite all members of CK for an unforgettable year. Lastly cougs, I promise to whole heartedly do my best to make a creative and memorable impact on the school from school dances and assemblies to basic school efficiency. Remember to vote Alyssa Erickson for vice president for a smooth and successful 2017-2018 school year!

Lillian Smith-Magallanez

My name is Lillian Smith-Magallanez but you can call me Lilly. I want to run as your Junior Vice President because I want to create unity through school spirit and I believe that as hard as it is to fit into high school where you go to school helps create who you are. Even if we don't want to admit it getting into school spirit can bring a sense of unity and belonging. However really enjoying yourself means putting yourself out there which can be hard for some people. Encouraged by my belief and others reluctance I often put aside my self consciousness to ignite school spirit at the dance when the song Cupid Shuffle came on I was the first person to go start dancing and leading everybody in the dance so everybody could start enjoying themselves.. As strong willed as I am I believe that activities like Basketball, and Cross Country have helped me work as a team player and see other people's perspectives better. In Ridgetop I had the privilege to be a Team Captain varsity runner on the Cross Country team because I tried to push people to do their best. For the first Basketball game this season I was one of the first Junior Varsity Team Captains because I wanted to push myself to be the best that I could be. These are some qualities that I can bring to the table and I hope you will vote for Lilly as your Junior Vice President.

Makailee Gemmer

I'm Makailee Gemmer, and I'm running for your junior class vice president. I've been a highly involved ASB representative for three years, I'm always ready and willing to help when needed, and love being involved. I've participated in Honor's Society for four years, as well as Key Club for two years, both of which give me opportunities to volunteer in my community. I participate in environmental club, and FCCLA, which I've felt are great way to get involved with CK students. I've done gymnastics for 13 years, competitively for 7, and this extremely rigorous sport has given me an incredible work ethic, taught me to never say that I can't do something, and instead of dreading challenges, has made me enjoy taking them on. Due to my participation in gymnastics at such a competitive level, I cannot participate in school sports, so being part of ASB gives me a team in a way, and allows me to get involved. I have work experience in that I've been a gymnastics coach for three years now, and having this work experience has taught me commitment, and allows me to grow my social skills, two extremely important traits for an active member of Associated Student Body. The contribution to my community which I feel most proud of is really any volunteer work. I've helped at the Bowling Special Olympics, the Turkey Trot, and participated in numerous events with the youth of our community at elementary schools. I am excited to take on next year as a Junior, and hopefully as your Junior Class Vice President. Thank you.

Junior Class Treasurer

Bella Capuano

Hi cougs! My name is Bella Capuano and I am running for junior class treasurer. This year I branched out and took many opportunities that this school offers. I was asb treasurer, FCCLA member at large, and apart of National Honor Society. Through these organizations I volunteered at the food bank, one of our local elementaries, and made feminine products for women in Africa. Your vote would mean a lot to me, thank you!

Malo Castro

Junior Class Representative

Jasmine Lee

Sophomore Class President

Ally Toms

Hey Cougs! My name is Ally Toms and I'm running to be your 2017-18 sophomore class president. I have a great amount of interest running for this position again as my high school years continue. I've loved seeing the student involvement and all of the exciting traditions. I'm fit to run for this position because I've been in ASB since 4th grade from class rep to president for 2 years. During these years of my life, I've helped out in many school events and I've done community service. My hours of service have helped me develop leadership qualities and has made me socialize with different people. I try my hardest to keep a positive attitude while sharing it with those around me in hopes to make their day brighter. I love creating a better environment for the student body, teachers, and parents. School is where we spend most of our time and the positive experiences help make our 4 years here memorable. Along with my positive attitude, I'm organized, responsible, and determined. ASB is definitely not an easy job and I'm up for the task. My one goal in ASB is to hear out every student and listen to their needs to better Central Kitsap High School. If you come talk to me, I will take your ideas into consideration and take them to the board meetings every Thursday. I hope you make the right choice and vote for me, Ally Toms, for your Sophomore Class President!

Jack West

Hey freshmen! I am Jack West and I am running to be your class president next year. I will represent you and voice our interests in the school administration and will make sure that the class of 2020 is heard in our student government. My platform is based on fun dances, great assemblies and a promise that during every event at CK no one will contract Ebola. I am a student that sails with the CK sailing team, plays in the concert/pep band, and skis with the ski program. I want to become president to contribute to CK's standard of excellence. So vote for Wild West and make sure that the class of 2020 is represented by the guy in glasses. I'm YOUR representative, I will listen to YOU and work tirelessly to include YOU in next years activities.

Sophomore Class Vice President

Kyle Zeng

Hey Cougs, I am Kyle Zeng and I'm running to be your 2017-2018 Sophomore Class Vice President. This year I was involved with ASB as a Freshman Class Vice President and excited for the next year upon me. I have experience ASB roles since the fourth grade and was the President of Central Kitsap Middle School eighth grade year. I was also Vice President of the Diversity Club in my middle school and was also a Chief Justice this year. I love getting involved in leadership and ASB roles and was also involved with many volunteer projects this year, like the ASB Food Drive and also helping at our local food bank occasionally. These volunteer projects help me obtain the social skills that will also help fold into leadership qualities to speak up more for ideas I have for ASB to make Central Kitsap High School better, and to socialize with different people to make them feel like they are wanted here. I want to make school a safe and better environment since we spend most of our time at school. I am very organized, determined and responsible and ASB is a very hard job to take on, but I am determined enough for the challenge. I am very excited to make a difference at Central Kitsap High School and to be able to take on more opportunities and challenges of leadership and ASB. I hope you make the right decision to vote me, Kyle Zeng for your 2017-2018 Sophomore Class Vice President. Go Cougs!

Sophomore Class Treasurer

Angelina Bell

My name is Angelina Bell and I am running for the position of Sophomore Class Treasurer. I have been in ASB several times throughout while in school, I was in a representative several years in a row in elementary school, the 7th grade class governor in Middle School, and the Junior National Honor Society President last year. I have helped organize many fundraising events, dances, and community service events for the school in Honor Society and ASB such as school wide cleaning events and adding a brand new garden at Central Kitsap Middle School. And as Governor in ASB in the past, I helped the class treasurer make important decisions with the funds we had and what kinds of fundraisers we could establish with them. With this experience I think that I can truly help my class with these decisions and make a great Sophomore class Treasurer. A contribution to the community that I am proud of is that I have helped out at the Salvation Army several times and I have helped feed the homeless here in Kitsap County. Also, in my free time, on several occasions I have helped at assisted living homes and danced there with my hula group. With my past experiences in leadership I would like use my skills to help lead the school into a more positive environment and help the students of Central Kitsap High School get more school spirit and more involved with their class to make their school day more enjoyable.

Sophomore Class Secretary

Hannah Hoftiezer

Darcy Ribada

Alexandra Newman
